Jan Arnold Gallery, MuseumsQuartier, Museumsplatz 1, A-1070 Vienna

For his exhibition at Jan Arnold Gallery, British street artist and muralist Mr Penfold shows a series of paintings that are constructed with collections of images and symbols that he absorbed during his stay in Vienna. He took a walk every morning and noted down certain things that caught his eye, it could be a pack of playing cards, it could be a lamp post... Using this bank of images he produced a series of paintings inspired and formed by these influences of Vienna. The artist is also commissioned to contribute a piece for the #Streetartpassage in Viennese MuseumsQuartier during his month-long stay as an Artist-in-Residence of q21, (MuseumsQuartier Vienna) as well as a screen print design for PERFEKT PRINTS and a cooperational painting with Sebastian Schager.

Der Britische Street-Art und Graffiti Künstler Mr. Penfold zeigt Malerei. Aus Symbolen und Bildern die ihm während seiner Streifzügen durch die Stadt begegnen, sei es eine Packung Spielkarten oder die Form eines Lampenschirms konstruiert er künstlerische Arbeiten. Vollkommen frei begibt sich Mr. Penfold in ein neues Umfeld und nimmt diese in seine Malerei auf. Es sollen Einflüsse des alltäglichen visuellen Umfelds der Stadt sein, die er Notiert und aus denen der Künstler seine ganz persönliche Sicht auf Wien extrahiert. Der Artist-in-Residence Mr. Penfold wird außerdem eine künstlerische Arbeit für die #Streetartpassage des q21 im MuseumsQuartier kreieren, einen PERFEKT PRINTS - Siebdruck gestalten sowie in Kooperation mit Sebastian Schager eine großformatige Malerei generieren.
